

Victorian Student Number

To be completed by all students aged up to 24 years:

Since 2009 in schools and since 2011 for vocational education and training (VET) organisations and Adult Community Education providers, a Victorian Student Number (VSN) has been allocated upon enrolment to each individual student aged up to 24 years.

Students should report their VSN on all subsequent enrolments at a Victorian school or training organisation. In particular, all students who are currently enrolled in either a VET provider or a Victorian school (including those already participating in a VET in schools program) should obtain their VSN from their current education or training organisation and report their VSN on this enrolment form.

Students who are enrolling for the first time since the VSN was introduced will get a new VSN.
